

## LEGAL ACCELERATORS | Conferință și Expoziție online de Legal Tech și Inovare

Legal Accelerators este o conferință și expoziție online pe teme de legal tech și inovare în domeniul juridic și va avea loc în 26 - 27 noiembrie 2020. În cadrul conferinței vor vorbi peste 30 de speakeri - experți recunoscuți la nivel internațional. Evenimentul constituie o ocazie specială și, de altfel, rară pentru o întâlnire fructuoasă între profesioniști din domeniul juridic, cadre didactice universitare și cercetători din întreaga lume, dar și specialiști în domeniul IT și reprezentanți guvernamentali.

Limba utilizată în cadrul Legal Accelerators este engleza.

În rândurile de mai jos găsiți o prezentare detaliată a evenimentului.

## LEGAL ACCELERATORS | Online Legal Tech and Innovation Conference & Expo

Legal Accelerators is a brand new online international conference and exhibition dedicated to legal technology and innovation that will take place on the ► 26th and 27th of November 2020 and will share with its audience the expertise and skills of more than 30 internationally acclaimed speakers - experts in their field.

The event will constitute a special – and quite rare - occasion for a fruitful meeting between successful legal professionals, legal academia from top universities and research centers around the world elite tech developers and governmental stakeholders.

Legal Accelerators will consist of two main events:

▷▷▷ **an online conference** with more than 30 speakers - international legal experts, academia lecturers and researchers, app developers, tech wizards - and more than 500 professionals from around the world expected in the audience;

Through live talks and interactive workshops, the Legal Accelerators conference will tackle topics such as  Legal Technology  Innovation in Law  Future of the Legal Professions  Cybersecurity and Data Protection  AI & Blockchain  Legal Design Thinking  Legal Technology Regulation & Ethics  Legal Marketing  Digital Market  Digitalization of the Public Sector.

See here the list of confirmed speakers - it is growing by the day :):

▷▷▷ **an online exhibition** of legal technology and innovative products and services offered by top vendors in the industry. A taste of the areas covered by the products and services exhibited: legal digital applications, cybersecurity and data protection, AI and blockchain and many more digital solutions for digital lawyering.

Legal Accelerators will be held on a dedicated platform with corporate digital meeting rooms, private digital chat-rooms, virtual stage and more features for an exquisite virtual experience.

And yes, during Legal Accelerators, you will also have the opportunity to have fun and relax: we're planning to take care of your well-being with mindfulness sessions, a live concert, a wine tasting and more laid-back moments to come.
